2.2.2: Honoring and Addressing Student Diversity

Report

1. Academic Counseling Mentoring

An effective counseling and mentoring being an integral part of the institutional environment is provided to students to enhance their success. The college provides counseling on professional issues and grievance redressal are solved through grievance redressal cell. Students are offered counseling for career and to pursue higher studies mentors regularly guide their mentees. Tutorial sessions are conducted. Reference books and e-resources are provided to students.

2. Peer Feedback/ Tutoring

The institute conducts curricular, extra-curricular and co-curricular activities, providing opportunities to give feedback to peer group on this performance. Peer feedback program was conducted in which students gave feedback to each other and boost the interaction among them.

3. Remedial Learning Engagement

College has organized remedial classes for weak students particularly in Mathematics and Science to foster their knowledge and skills, weak students are identified through unit test and are provided remedial classes, assignments are given to students and teachers provide study materials.

4. Learning Enhancement or Enhancement Inputs

College conducts guest lectures, seminars, workshops competitions to improve soft skills like communications, technical skills confidence and to motivate students. Various co-curricular, extra-curricular activities are organized in which students participate actively these leading to their holistic development. College has well-equipped WI-FI enabled classrooms with projector and smart classroom, faculty as well as students are motivated to use ICT tools.

5. Collaborative Tasks:-

Students are encouraged to perform group activities like tree plantations, awareness rally, sports, field visits. These activities are accomplished through group discussions, teamwork and collaborative effort these including in students the team spirit.

6. Multilingual Interactions and Inputs

The college caters to the lingual diversities and provides opportunities to promote multilingual interaction among students. The college has a language lab and many activities are conducted to enhance language skills. Debates, Groups discussions and seminars are conducted. Teachers also adopt multilingual approach in teaching learning process.
