

### 2.2.3: Institutional Provisions for Catering to Differential Student Needs

#### Report

Sandipani Academy is an ambience upholding students of diverse backgrounds and needs. Regular conduction of unit tests and model exams assesses the students' performance, identifying their weak areas and needs. Language related difficulties are catered to by adopting bilingual method of teaching. Students can choose their medium of written exams and assignments. Study material is available in English and Hindi both. Diverse academic needs are met by increasing the number of reference books in library, free Wi-Fi facility is provided to student so that they can use ICT. Remedial classes are conducted to support learning. Seminars, workshops, life skill programme, training programmes are conducted to enhance employability skill, in students. Study material in both english and hindi are made available by teacher as well as in the library.
