

2.3.6 Institution provides exposure to Students about recent development in the field of education.

### Report

#### **1. Special lectures by experts :-**

The college conducted special guest lectures on topics like 'Preparation of Bio Compost', 'Aerobic Respiration' and 'Personality Development Program' from professionals who are knowledgeable and experienced in their respective fields. The expert's shared their insights and experience & students asked questions which helped them understand the latest developments in education.

#### **2. Book reading and discussion on it :-**

College encourages reading books on education. Book reading activities were conducted in pedagogic subjects and language proficiency. This helped students gaining a better understanding of the theories and concepts.

#### **3. Discussion on recent policy and regulations :-**

National conference was organized on The Impact of New Education Policy 2020 on The Higher Education Sectors, to develop the insights of the scholars, academicians to understand the basic concept of NEP and the challenges to achieve the vision of the policy.

#### **4. Teachers presented seminars for benefit of teachers and students :-**

Teachers shared their knowledge and experience with their colleagues and student and discussed new approaches to teaching and learning and to explore emerging trends in educations.

### About the College

Sandipani Academy is situated at Achhoti, spread over an area of 3.1 acre with the sole aim to provide opportunity to students for their holistic development of their personality through academic and non-academic activities. The foresighted vision of the management is to emphasize the practical application of theoretical knowledge. Sandipani Academy intends to bring qualitative improvement. The college aims towards provide educational excellence to students, providing them guidance and care for their individual development. Sandipani Academy always tries to nurture the moral and ethical values in students so that they will become responsible citizen of the country.

### About the Conference

The quality of education decides the quality of the nation. The education system of the country is the foundation on which the well being lies, requires the well planned and organised education system with the provision of proper monitoring and adequate resources for fulfilling the vision of the the country. Education is the prime importance in the life of the individual which transforms him in complete human being and enable him to be the proud member of the nation and contribute in the growth and development of the nation and the world as well. NEP envisions providing universal access to quality education to all and bringing the nation on leadership role on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world.

NEP has the provisions in every aspect of education system for enhancing the quality of school and higher education system. The webinar will develop the insight of the scholars, professors, academicians to understand the basic concept of the NEP and the challenges to achieve the vision of the policy.

### Objectives of the Conference

- To understand the basic concept of the NEP.
- To understand the key areas of NEP.
- To know the challenges to achieve the goal of NEP.
- To realise the ways and means to deal with those challenges.
- To develop awareness among the educational fraternity about the NEP.
