## FDP ON RESEARCH METHODOLOGY AND IPR

### About the College

Sandipani Academy is situated at Achhoti, spread over an area of 3.1 acre with the sole aim to provide opportunity to students for their holistic development of their personality through academic and non-academic activities. The foresighted vision of the management is to emphasize the practical application of theoretical knowledge. Sandipani Academy intends to bring qualitative improvement. The college aims towards provide educational excellence to students, providing them guidance and care for their individual development. Sandipani Academy always tries to nurture the moral and ethical values in students so that they will become responsible citizen of the country.

### Objective for FDP

The FDP aims at deliberation sharing knowledge to the target audience about the significance of research skills and current opportunities in law by subject matter experts with practical exposure to faculty members and research scholars of all the branches and allied areas. The aim of the FDP is to provide the participants with an opportunity to acquire knowledge about contemporary developments that are taking place in various dimensions of Law and inculcate and enhance the abilities of the faculty members to carry out independent research, write successful research projects, and finally to enable them for the technical communication considering National/International/Journal conferences. Lectures on fundamental aspect of relevant research topic selection, literature review, planning of research, project proposal writing and research paper writing will be conducted by the experts along with some hands-on practices which will enable participants to grasp the content methodologically. Finally the whole exercise will enhance the multilateral thinking and will impart capability to look into legal affairs with multi-directional approach followed by research and development work.

Principal
